

FOIA Request Directed to US EPA Dated September 23, 2019

- I request in-person access to any and all documents, or documents in electronic format available, as follows:
- All documents relating to releases of hazardous substances to the Passaic River and/or Newark Bay, allegedly attributable to D&J Trucking & Waste Co. as defined by CERCLA § 107(a), 42 USC § 9607(a), including the site located at 310 Avenue P and Avenue A and Pioneer Street in Newark, New Jersey. The site has been identified in connection with participation in the Lower Passaic River Study Area Cooperating Parties Group, which is currently cooperating with EPA Region 2 on a Remedial Investigation/Feasibility Study for the Lower Passaic River.
- All documents relating to D&J Trucking & Waste Co. in 310 Avenue P and Avenue A and Pioneer Street in Newark, New Jersey, including the following:
 - o Any nexus packages regarding such sites,
 - o EPA 104(e) information requests and responses,
 - o Waste stream characterizations,
 - o Final sampling and testing reports,
 - o EPA Administrative Orders on Consent.
 - o All documents assessing the property at 310 Avenue P and Avenue A and Pioneer Street in Newark, New Jersey for environmental incidences including any and all information and/or documentation relating to discharges of hazardous substances, the contamination, remediation or restoration of this site at any time to the present day.
- All documents that contain information regarding the property at 310 Avenue P and Avenue A and Pioneer Street in Newark, New Jersey in relation to remedial actions, land use activities, air impacts, permitting, enforcement actions, environmental site remediation, environmental management, and wetland impacts for the site.
- All documents that contain information regarding the property at 310 Avenue P and Avenue A and Pioneer Street in Newark, New Jersey in relation to direct discharges to the Passaic River from the site, either by direct piping or via a discharge to a Publicly Owned Treatment Works and any permitting that would pertain to such discharges, such as a NJDES permit, or a Significant Indirect User (_SIU_) permit.
- All correspondence, violations, enforcement actions, remedial actions, and permits regarding the property at 310 Avenue P and Avenue A and Pioneer Street in Newark, New Jersey.
- All documents identified in the US EPA Record Management System as PRP Specific Info and Correspondence for D & J Trucking & Waste Co. relating to the site NJD980528996 OU::00.
- All documents identified in the US EPA Record Management System as General PRP Info and Correspondence for D & J Trucking Site relating to the site NJD980528996 OU::00.

To the extent there is a file room established for the Lower Passaic River Restoration Project that would encompass the documents specifically sought by this request, I request access to that file room, or documents from that file room in electronic format where available.
